## Important information:

- For information about your warranty, please see:  
[Consumer/Home Commercial](#)
- The warranty expiration dates for peripheral devices, such as monitors and batteries, may be different from the warranty end date for your product. For batteries, please see [Dell Notebook Battery Warranty Support](#) for additional information.
- Out of warranty? No problem, please see our knowledge base, support videos, and community forums for assistance.
- If you purchased your product from an authorized third-party retailer or reseller, your warranty starts on the date of your original sales receipt or, in some regions, the product delivery date. Warranty expiration dates shown for these products may be an estimate. Learn how to [register your product with Dell](#).  
For these systems, the warranty starts on the date of your original sales receipt or, in some regions, the product delivery date.  
Warranty expiration dates shown for these products may be an estimate until registration is completed.
- Learn how to [transfer ownership of a product](#).
- The dates shown here are based on the GMT time zone and may vary by one day, depending upon your time zone.
